HONGEONG, MAY 29TH 1885.

In her recent actions against the proprietor whose flats he was committed to the Tung of a private asylum at Hammersmith, Mrs. WELDON has done the state good service maisons de santé. The facts disclosed in ber both to the bench and to the bar; with a lively sense of disquietude arising from the was deprived of his civil rights, all the legal perif to, the liberty of the subject, which under the protection of the law had been by the mad doctors so arrogantly attacked; complied with, and that the man is really ance of the opera at Singapore, taken from the had a supply of muskets and revolvers, being pre-The press, especially the organs of the legal and the medical professions, was almost unanimous in denousing a system that rivalled That being the case, the man, of course, is attended by men who have made advanced the inquisition in the methods and atrocity of its working; and was equally at one psychistry a specialty and who, during the in demanding that for the future there patient's lucid intervals, so treat him that soprano voice, and sang the part of Figured alleged that they got assers from their junk reallor with a view of still further-hedging in most improved methods, parients are not the liberties of thepublic against the invests littered on straw and fed through wooden of interest of friends and fee-hunting mad or iron bars like the denizens of the forest The opera was repeated and the song doctors. Under the new Act not only must in a travelling menagerie, and the attendants Blind" was then given the same paper thus there be the signitures of two legally qualities models of forbentance and civility liable speaking of it:- "I'm beautiful sir Love is parties from coming forward who have any- reputation of their institution, and take thing or everything to gain by the incarcers- means to investigate each case periodically, off was liver complaint from which he had been tion of the supposed patient. The motives to see whether he is fit for discharge! love of comfort his influenced mon before it is a noble sustitution indeed, and we very winder surveillance persons whose liberty is policy! dististeful to them, and whom they can be even with in no other way. In a word, to defeat such attempts against the liberty of the subject by means of existing lunacy laws, be the motive what it may, is the object of this Bill. It enpowers the magistrate to take every precaution when he is not satisfied with the medical certificates, to make every enquiry, and if he think advisable to invite extraneous medical sid. So far the results of the WELDON trial. ---

We have drawn attention to this Bill in these columns not so much from any general interest that it may have to residents mentally afflicted among the native community. We to seldom see such among the Chinese that an impression is abroad that insanity is less rife among the natives than among foreigness. This, we think, is not so: although it must be remembered that the mumber of foreigners belonging to the community whose winds have yielded to the numerically speaking, very small. The Goandelegantly deigned Asylum in Caine Road have amply fulfilled their responsibilities in the matter, and to avoid all possibilities of abuse have actually afticipated the suggesofficial, to inspect the institution every week. This is as it ought to be, and if this were the port passed through on the same day. only establishment for the reception and cure congratulate ourselves on the successful

than as a gigantic charity, of large revenues, derived chiefly from voluntary subscriptions, for the relief of the sick and the destitute. But it is so, and the truth must be told at all hazards. The Tung Wah institution is the Kowloon and Cosmopolitan dooks respecundoubtedly a hospital. Its objects are tively. find a temporary resting place for the dead of ordered on the Possion Class of the hoen Fung-shui are satisfied. It does good work, too, within its limits. For the simple dispases of the skin and other afflictions arising from a sparing use of cold water, the wondrous and enormous boluses of native physicians are not altogether ineffective, nature and the plain temperate living of the people in NOTICE.—To avoid delay in the execution of to be dispensed with. The efforts of the directorate to prevent, by the application of pox in a country where an attack is looked in the spirit land, be duly rewarded in gifts than he had previously covered the same Chipamen that have died over sea, and are waiting for an opportunity to be removed to with respect to the invention-a model of which the hill behind the ancestral village where their forefuthers sleep -does it not augment the funds of the Tung Wah?-also a good

thing and worthy of commendation. legal enactment the Tung Wah establish. ment became licensed for this purpose we are, after considerable enquires, unable to discover. Of course, under the right; like the Pops-and-the Queen of Enland, they cau do no wrong. The confinement of a madman whose perverted instincts urge him to commit acts endangering his own life and the lives of others is a righteous and praiseworthy deed. Granted, but it might not be out of place to enquire by Wah, by what warrant be is detained, and really—suffer us to gratify a pertinent and innocent cariosity—was this supposed lunatic to this admirable, wealthy, and well conshall therefore admit that before the patient safeguards and precautions laid down in such cases have in every instance been fully mad. Otherwise the responsibility is too Straits Times, may be of interest :- The part pared to resist any attack. The orew, however, great to be incurred by any one deliberately.

should be some substantial guarantee that the light of health pouring in like a flood the personal liberty of people of undoubted upon his darkened understanding dispels mental capacity, sho in some phase of theirs the shades of unreason from his disordered character might happen to be too original intellect for ever! OLLA PODRIDA.

A Madison Street girl's answer to the current conundrum "Will the coming man work ?" is He will i! I gat him." Franz Abt. whose death at the age of 66 is announced from Wissbaden, was a popular but never a great song composer. He wrote, it is said, upwards of 400 works, including some piano pieces of a modest sort. Abt want to America in 1872 and earned a good deal of

Mr. Swinbarne's new tragedy, "Marino Faliero," is dedicated to Aurelio Saffi, the Italian patriot. This will indicate that the striking chapter of Venetian history upon which the drama is based has been tracted in some measure politically, The chronicle, however, has been faithfully followed as to incidents.

She had been treating him quite distantly. He didn't like it; and during a pause in her singing he said, "you are such a strange girl, Edith. I really don't know what to make of Then she smiled and gave him, oh, such a look, as she domurely answered, "if you don't know what to make of me you ought, Charlie, make a wife of me." Sudden transport of Charlie, and hint acted on at the earliest oppor-

The numbered stones of old Temple Bar are soon to be put together and set up again in the King's Beach Walk, within the quiet precincts Suitable for Offices or Residences, together of the legal microcosm within a city not a or separately. hundred miles from the fountain which was the colony, and are supplying the necessary attack on Penjdeh. The real facts are that about Tom Pinch's trysting place and the slab which officers is available for the defence of the fighting formation to within three miles of the than consigning the monument to the sordid companionship of sham rulus and pinchbook cenotaphs in the gardens of the Hall-by-the-Sea. A story is told of President Lincoln which

shows what he thought of "full dress." One night Mrs. Lincoln swapt into the library as the President stood with his back to the fire, warming his long frame. Her dress was long at one and and low at the other. "Whew." said old Abe, "what a long tail our cat has to-night," is 230, and the Volunteer Military Force is now Teheran citadel. The alleged reason for this Mrs. Lincoln made no answer and paid no atat it full strength. A detechment of 1,500 men musure is that attenuous efforts were being tention to him. He stood some time with his eyes studying the floor, and then said, softly Mother, don't you think it would be letter if some of our cat's tall was around her neck P" ADRIANDE, 1st May. by Russian exactions, and seems to be courting. There is nothing new under the sun, and not even the modern inventor of artificial teeth, can claim the honour of having been the first to supply gap-toothed humanity with the subtlest of masticationknives. This has recently been proved by Italian actiquarians, who have discovered false teeth in a skull which has been excavated in an aucient Etruscan cometery with many other Prince Doudeukoff Korsakoff's rumoured tour | curiosities at present safely stowed away at the maseum of autiquities at Corneto, in Tuscany. The sepaichre out of which the skull-was taken dates, according to experts, from the fifth or sixth century B.C., and the false teeth are nothing but

means of small gold plates. The Toronto World speaks as follows upon. these troublons days. Great Britain may be at . . . war with Russia soon; nay, we may any day hear that war has been not nally declared. It is a burning disgraps both to the Mother country and the Dominion that as yet we have no cable of our own, but are dependent upon French. American, and Anglo-American companies for our cable news. The important interest that Great Britsin has in maintaining communica-Quotations are :- Chartered, Bank, £19 10sa tion with Canada, also through Canada to the Pacific both by railway and telegraph, has never half been appreciated either here or in the old country. But if there be war with Russia the anthorities will get new light on this subject flashed into their eyes, and that in the most

peremptory manner." A draper's assistant in London, who was the hobit, with his employer's cognizance, of attending a workmen's socialistic meeting, neglected for a week or two to attend the meetings, and the following dislogue took place between master and man: Master-" Well, John, and how is it that you have not kept up your attendance at the accielistic meetings?" John (rather confusedly)-". Well, sir, I don't think I shall go any more." Master-" But how is that, John? John-" I have found out, sir, that the scheme i not quite so fair as I thought it was. At the last meeting I attended we calculated how much there would be for every one when everything was divided up, and we found that it would only

know, sir, I have one hundred and fifty pounds in the bank." The Haulan scare "bubble," like many others the sort, has now been fairly pricked. Hanlan's seemingly phenomenal performances in an outrigger were due to the simple fact that cognised the enormous capabilities of the "sliding seat" and , proceeded to systematically desliding seat had affected, and were ignominiously Messra. JARDINE, MATHESON & Co. besten in consequence. At length, however, superior to Hanlan in more brute strength, that be has besten him in two successive races; and the Hankn aquatic reign of terror—for such it

about the 30th instant. The O. S. S. Co.'s steamer Nester left Singapore on the morning of the 25th, and may be expected to arrive here on or about the Slat

** The stamer Glenariney left Singapore on the 27th May, and may be looked for here on or about the 2nd June.

POST-OFFICE NOTICES.

When Correspondence has been mis-sent er iolayed (both of which are liable to happen occasionally) all that the addressee need do is to note on the cover, Sent to _____ or Beceived at 7 p.m., or as the case may be, and forward it, without any other writing whatever, to the Postmaster-General: This should be acted on the first time cause of complaint occurs ; it is a mistake to let such matters pass for fear of giving trouble, a course which generally gives more trouble in the end.

Attention is invited to the following per ticulars on the subject of Local Delivery :-LOCAL DELIVERY.-No delivery is attempted on beard Ship, at the Peak, Kowloon, Aberdoon, HE Steamship "OCEANIC" will be &c., nor at any private house (oven though despatched for San Francisco; wit Yoko- named in the address) when there is a place of hama, on TUESDAY, the 9th June, at business nearer, at which delivery can be affected (Postal Guide, par. 159).

Connection being made at Yokohama with The above Regulation is not new, but has been the invariable rule of the Post Office for. All PARCEL PACKAGES should be marked to many years. Considerable efforts have been address in full: and same will be received at the made to secure its being generally understood. disappointment in the matter, it will appear RETURN PASSAGES.—Passengers, who have permanently on the Mail Lists issued twice every

will be found in the Daily Press Directory. an allowance of 10 % will be made from Return p. 398 large edition, p. 657 small edition. This The authorised List of Mails issued in

connection with this paper is the one published
